The AIDS Council

According to the AIDS Council’s website, “No agency is better suited to deal with the complexities of the HIV/AIDS crisis than the AIDS Council. Our case managers work with individuals and their families to build skills to manage their lives. Our goals are to empower our clients, improve the quality of their lives, enhance health outcomes, prevent them from passing the virus to others, and keep families together.” The AIDS Council of Northeastern New York’s Prevention Services Department is dedicated to stopping the spread of HIV in Northeastern New York. Our targeted prevention initiatives help people most at risk change behavior in order to reduce the rate of HIV, sexually transmitted diseases, and hepatitis.”
